This mare was our 2nd Trakehner and the one that got me going to HG Farm to look at what was called Trakehners.

I have always liked this mare family and this is one of my favourite mare lines.

Gineta is also one of my favourite mares and she was Champion Young stock and Reserve Supreme Champion as a yearling at the TBF Show in 2000. She has the most wonderful temperament and outstanding floating movement with a lot of power from behind and a pedigree with so much top class dressage bloodlines in it.

HG Gineta's mother line is one of the most proven families within the breed, producing Champion stallions and proven Sires like Gunnar, Ginster, Guy Laroche, Gipsy King, Guter Stern and Guter Planet. Members of this bloodline are well known for their dressage ability and competition talent.

Grandfather Camelot was a proven Sire in Denmark and has a lot of top quality offspring on the ground today.

The 2nd mother Gassandra produced the international successful driving horse Graziela and the Grand Prix dressage horse Gassendi.

HG Gineta's mum PM Genesis has breed many outstanding offspring, which has done very well at the TBF Show in hand. She has also produced a graded son, Gold Card.

Her Sire Solomon was awarded BHD dressage Sire of the year in 1998 and gained 161 points in one season, qualifying for the National Championship at Elementary level and winning at Medium level in his one and only competition.

Gineta's foals are very powerful movers with a lot of present. Gatlin her son jumped 3'4 out of the field as a 2 month old foal and in his new home 3'7 clear out again, so jump they can do to.
