Polarfee

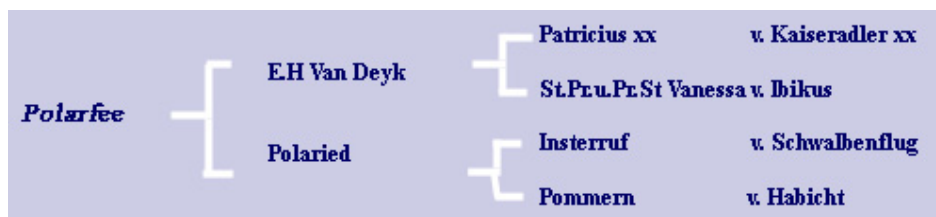

By E.H. Van Deyk
Out of Polaried
By Insterruf

Colour:	Bay
Born:	17. 02.1995
Grade:	8,7,7/8,8,7/8
Height:	169 cm
Bone:	19.5 cm
Passport:	German

Breeder:
Dr. Rudiger Keudel
Lindenfels
Germany

Mare Family:
T1C Polarfahrt
Hauptgestut
Trakehnen

This big impressive mare entered our herd because of her being a full sister to the outstanding dressage stallion Polarion.

Polarion presented out of his first crop of foals five Premium daughters and the stallion Grafenstolz, who passed a very good performance test and convinced how good he is with his first of very impressive foals in 2002. Polarion is now in England in Cirencester with Dr. Bechtholdsheimer, where he has started a very promising dressage career.

Polarfee was Reserve Champion of the 4-year-old grading in 1999 and has also passed an excellent mare performance test.

Her Sire E.H Stallion Van Deyk competed very successfully in dressage up to Grand Prix and established a new blossoming stallion line, which finds his basics in the dressage stallions Feingeist, Pomerol, Powerpoint, Handryk and Rastenberg. He also passed a first class performance test and sired an impressive group of outstanding broodmares, which is stamped by his noble presence and riding qualities.

The mother line is a legendary one going back to one of the highest proven and oldest bloodlines of the black herd in the main stud Trakehnen. Polarfahrt herself was known as one of the best mares of all warmbloods in her years and founded a most popular family. Famous sires like Polarfurst, Polargeist and Polarpunkt are members of this bloodline.

Polarfee's grandfather Insterruf was Reserve Champion of his grading and became later on a leading sire in the American Trakehner Breed.

Polarfee's grandmother Pommern by Habicht was known as a very athletic powerful mare with a lot of winnings in three-day-events up to advanced level.

Polarfee combines the genes of the great sires Patricius xx and Ibikus on her father's side, with those of Habicht and Traumgeist xx on her mother's side. This is a very promising combination of the most proven competition bloodlines, which we hope to improve our herd with in the future.

Her foals are true to type with good strong bone, correct conformation and lovely movement

PROGENY TO DATE 4/4 FOALS

- 2002 Singing Polarstern, bay filly by Latimer, sold to Gloucestershire, England
- 2003 Singing Polar, bay colt by Arentino
