Vincenca was our first Trakehner and bought as a two year old from Holme Park Stud.

She was Champion foal at the TBF in 1997 and graded in year 2001 as a four year old and was awarded a Premium. She was also Reserve Champion of the grading in 2001.

Vincenca is what I think of, as a true Trakehner, she has a good deep body and big doe eyes with an hourglass face and is a very stunning mare.

HP Vincenca represents one of the oldest mare family's of the breed over more than 200 years old.

She represents the world famous East Prussian breed of Zitzewitz-Weedern, who kept 80 mares in chestnut colour showing highest level of quality.

The Velegue-family is well known for passing on outstanding dressage quality, which is consolidated in Vincenca's pedigree through Consul and Amagun.

The Velegue-family produced the very well known competition Sires Valentin, Vasall, Vektor, Vivus and Virgil (ATA)

Vincenca's Dam was twice Champion and Supreme Champion mare in hand in year 1988 and 1997.

Vincenca's Sire was awarded BHD dressage Sire of the year in 1998 and gained 161 points in one season, qualifying for the National Championship at Elementary level and winning at Medium level in his one and only competition.

Vincenca's foals are very true in type with very energetic paces.
