El Bonito's dam Ebony was purchased from Germany, as a 3-year old from Neumunster auction and is harmony of breed and gender in type. Exceptional energetic paces characterise this engaging daughter of Grand Prix dressage stallion Enim Pascha. She was reserve champion of the mare performance test at Domselshof and with the impressive combination of some the most noble bloodlines of the Trakehner breed through Maharadscha, Flaneur, Conduis, Angloarab Ramzes the pure bred Arabians Fetysz ox and Adamas ox.

The original family of Elfe presents itself, as one of the most influential bloodlines having produced not only the outstanding Sires Elfenglanz, Elfenspuk and Elitaer, but also high quality broodmares, especially with Etikette and her full sister Eleganz, which was the two founder of the new branches in this old family.

Dressage ability is a symbol of this bloodline and we are proud to have a granddaughter of world famous Zauberklang as a member of our herd.

Her Dam State Premium mare Ebenmass was one of the top auction mares at Neumunster in 1997 and 2nd Reserve Champion of the 3-year-old mares in the Rhineland.

His sire Key West by Stradivari out of Kateja by Inschallah AA is one of the upcoming stars in the young generation of the Trakehner stallion group. Stradivari is a half-brother to the Elite stallion Schwadronneur and Grand-Prix-stallion Showmaster and together they represents the valuable genes of famous mare Schwalbenburg. Kateja as a daughter of Oldenburgs worldwide well known competition sire Inschallah AA and German Supreme champion mare Kalinka represents one of the highest quality mare lines of today.

Key West is a full brother of the highly reputed K2, the Champion of the grading in 2001. Key West represents the noble, athletic and powerful type of the modern Trakehner sports horse and is already successfully shown in show jumping and dressage on advanced level. A high number of premium daughters and elite foals in the auctions prove his stamping attitudes as a young sire.

El Paco is very correct in conformation, with a stunning ditched face. This is a stunning black colt with outstanding movements, he will make an fantastic sports horse.
