Impressario is one of the highest quality Singing-foals in the year 2006. He shows already in his young age perfect conformation and impresses with first class neck, saddle position, his whole top-line and very long, correct legs.

In combination with his outstanding clear Trakehner type and his elegant, floating and always active movements we proudly present an amazing youngster.

His sire Kronungswalzer was the favourite of the crowd during his grading in 2004 and presents his first foal crop in 2006. His bloodline is outstanding on the paternal side through his sire Titelheld and he is a member of the international highly reputed dressage line of Hohenstein qualified - Caprimond- Karon and Arogno.

His dam Kroenung is the star of the big very high quality broodmare herd of stud Sommerlade and today represents the highest inspected mare of the Trakehner breed and qualified for the German Federal Championship of Riding Horses. Her sire Tuareg is Elite and has the reputation of a stamping dressage producer, being responsible for example for the unforgotten World-Cup-winner Renaissance Fleur. Second maternal sire is the great Arogno, foundation sire over the last 50 years and an uncle to our residential stallion Arentino and our wonderful broodmare Aida.

Impressario's dam Inaara is one of the most impressive and highest quality daughters by Elite Stallion Friedensfurst who competed successfully on international Grand- Prix-dressage- level. His sudden death in 2001 meant a big loss not only for the Trakehner breed but also for the Hanoverian- and Oldenburg – breeds too. Inaara represents the modern type of the Trakehner mare and competition horse. With her large frame and impressive sports horse- attitude she will always count among some of the best mares of her generation all over the breed. Very kind in character and calm in temperament she shows herself off in a breathtaking way of moving. That is the perfect style in power, energy, uphill and shoulder- freedom. No surprise that she got top scores during her grading. She was champion of the mare grading and supreme champion of the whole show.

This colt has the potential to be a stallion prospect.
