Innex is by our residential stallion Arentino, which competed up to Prix St. George in dressage and he was also a very keen show jumper.

His Dam Inaara is by the stallion Friedensfurst. She was Champion of the grading at the TBF show in year 2001, where she was awarded a premium. She was also the first mare to get a 10 at an English grading and is still the only mare in this country to have achieved this at the TBF.

This is a very friendly colt, which loves the company of humans, he always smiles and has a really cheeky face. Innex is a very wonderful mover
