Again a stunning colt with a lot of presence and wonderful power in movement just like his full brother El Paso.

El Salvador's Dam Elistra is by Hockey which is the granddad to Biotop and a father of many top competition horses such as Almox Prints which twice took part in the Olympic of Seoul and Barcelona and became international successful in Grand Prix Show jumping. Also the son's Chochot, Podchod and Saporoshez became dressage Champions of the whole of Russia in 1990, 1992 and 1993. Hockey himself was successfully competed in dressage up to Prix St. Georges and Intermediaire to be one of the most successful, popular and proven sires of competition horses in Russia. He stood at the State stud in Kirow, as a Senior Stallion.

Elistra's dam was awarded a Premium at her grading and 3 of her son's are already competing up to advanced level. Her family already in East - Prussia was one of the highest quality bloodlines and produced in Germany the Elite stallion Erlkonig, Enim Pascha the Grand Prix dressage stallion and the sires Herodes and Ortelsburg, whom also became important in the Hannoverian breed.

This mare has very rare bloodlines and we are very proud to own one of the very few daughters of the most proven Sire of competition horses of the Russian Trakehner breed.

El Salvador will stay at the stud to hopefully be graded one day.
